

RESEARCH OPPORTUNITY

The Brain Imaging Research Center at UAMS is looking for adults to participate in a research study investigating impulsivity & emotion.

SEEKING ADULTS 18-65 WITH:

- Bipolar Disorder OR Borderline Personality Disorder
- Have no internal metal & no major medical conditions

STUDY PARTICIPATION

- Complete a confidential interview with a trained interviewer (~3-4 hours)
- Attend a 2nd visit to allow us to take pictures of your brain using MRI (a safe, non-invasive brain imaging method lasting ~1 hour)

Individuals who qualify and participate will be compensated for their time.
