116 Hooper Dr.
Little Rock, AR 72205

Yellow Route

Approaching from Markham

Blue Route

Approaching Parking 2

Green Route

Approaching from I-630

Red Route

Walking towards venue
from Parking 2

WHAT TO LOOK FOR

Use these photos to confirm you're on the correct route to Parking Deck 2.

Navigation note: You may navigate to UAMS campus or Parking Deck 2, but for event parking, please use the top / roof-level entrance from Campus Drive.

CAMPUS ENTRANCES

Depending on your direction of travel, you may enter through Entrance 1 or Entrance 2. Look for the large numbered entrance markers.

CAMPUS DRIVE

Turn onto Campus Drive and continue along toward Parking Deck 2. The roadway may not immediately look like a through-road, but this is the correct route. There will be a small PRI event sign to guide you.

PARKING DECK 2

Use this top / roof-level entrance ramp and proceed to print a ticket (pictured below) at the kiosk at the gate to enter and park. **Leave the ticket in your car.**

AFTER PARKING

Follow event signage through the Rahn Education Building and across the pedestrian bridge to the I. Dodd Wilson Education Building. Signage as well as volunteers in blue shirts will be available to guide you.

The Rahn cut-through will be locked from 9:30 a.m.–3:30 p.m.; during that time, volunteers can provide escort back to your vehicle if needed.

A separate validation ticket and instructions will be provided upon leaving (this will be used to pay for parking).
