**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

The UAMS Department of Psychiatry Internship Training Program in Clinical Psychology is accredited by the American Psychological Association (APA) and offers training through a Child-Focused Track (Program Code # 110611), Adult-Focused Track (Program Code # 110612) and Neuropsychology Track (Program Code # 110613).

Our 2080-hour clinical psychology internship is designed to provide interns with a broad and general training experience in basic principles and techniques of professional psychology. Interns work with caring and conscientious supervisors who carefully consider the intern's training experiences, career goals, strengths, and needs in order to develop the most appropriate and effective training experience.

The internship is one of the training programs of the Department of Psychiatry in the UAMS College of Medicine and has multiple training sites:

- UAMS Child Study Center (general outpatient clinic for children)
- UAMS Child Diagnostic Unit (psychiatric inpatient unit for children)
- UAMS Walker Family Clinic (general outpatient clinic for adults)
- UAMS Student Wellness Program (general outpatient clinic for UAMS students)
- UAMS Women's Mental Health Clinic (outpatient clinic for pregnant or postpartum women)
- Pulaski County Regional Crisis Stabilization Unit (short-stay residential unit for adults)
- ACH Burn Unit and Clinic for Adults (integrated specialty care team)
- Hawkins Unit at Wrightsville Prison (women's prison)

The internship training year is July 1 through June 30 of each year.
